## Community Benefits

We are firm believers that the community closest to a solar farm should be able to benefit from it. We will work with Community Councils or a Community Foundation to help facilitate or directly deliver these benefits.

We have received some useful suggestions as to how East Aberthaw Solar Farm might be able to support the local community – please let us know whether you are supportive or not of these suggestions (**see over page**).

	Yes	No	Undecided
Support Rhoose Tree Planting Scheme to offset emissions during construction			
Work with the local community to establish a Community Council			
New cycle, foot, and horse path linking to Rhoose around airfield perimeter			
Creation of a new wildlife habitat			
Link cycle route 88 around Rhoose to Penmark Village			
Inclusion of an education centre			
Landscaping around the site to preserve the visual amenities of the area			
Site tours for the community and/or schools			
Funding for local community groups or projects (please include the name of the project/group below)			

Please leave any additional comments on Community Benefit below
